LEVEL FOUR WATER RESTRICTIONS ISSUED FOR DEKALB COUNTY

RESTRICTIONS EFFECTIVE IMMEDIATELY

DECATUR- DeKalb Chief Executive Officer Vernon Jones will require DeKalb County residents to follow newly declared water restrictions in compliance with the statewide outdoor watering ban.

Due to worsening drought conditions in Georgia, the Director of the Environmental Protection Division (EPD) has declared **Level Four Drought – No outdoor water use is allowed**, other than for activities exempted in 391-3-30-.05, or as the EPD Director may order.

These restrictions will serve as proactive measures for the health and safety of DeKalb County citizens and the state of Georgia.

These restrictions are in place until further notice. To report any violation of these restrictions, please contact the Department of Watershed Management at 770-621-7200. For additional information on exempt activities or updates, please check DeKalb County's Watershed Management website at www.dekalbwatershed.com or visit www.gaepd.com.
