BENEFITS OF REMODELING (OPTIONS 1 AND 2)

1. No interruption of existing golf and tennis functions.
2. County maintenance staff has existing knowledge of facility.
3. Less environmental impact to course and community.
4. Water and electricity-saving fixtures can easily be incorporated.

BENEFITS OF NEW CONSTRUCTION (OPTION 3)

1. Existing clubhouse can function while new building is being constructed.
2. Newer construction can be more efficient for utility usage and passive heating/cooling costs.
3. All functions can occur on one building level.
4. Spaces can be appropriately sized for functional use.
