

DeKalb County Amendments to the International Plumbing Code

(a) Notwithstanding anything to the contrary contained herein, the International Plumbing Code adopted by reference in section 7-51 above is adopted with the following additions, deletions, modifications, or amendments:

(1) International Plumbing Code.

(A) Chapter 1 is deleted in its entirety.

(B) Section 703.6 of Appendix J of the Georgia Amendments is hereby adopted by the governing authority.

(2) *Local supplemental ordinance requirements to the state adopted plumbing code.*

(A) Three (3) exterior frost proof hose bibbs separated as far as practical and installed in interior walls that interest exterior walls shall be installed on all residences. At least one (1) shall be installed in close proximity to the driveway.

(B) All exterior sewer drain clean outs shall be cut back to finished grade level on all residences.
