

FLOOD SAFETY:

To lessen the flood hazard: 1) Know the flood warning procedure; 2) Plan escape routes to high ground; 3) Turn off gas and electricity; 4) During times of heavy rainfall, monitor the level of water in the waterway (if possible). Stay tuned to radio or TV for possible flood warnings; 5) Evacuate the flood hazard area in times of impending flood or when advised to do so by the police or fire department; 6) Do not attempt to cross a flooded stream on foot or by car; 7) If your car stalls in high water, abandon it immediately and seek higher ground; 8) Keep children away from flood waters, ditches, culverts, and storm drains; and 9) Be especially cautious at night.
