

DeKalb's Residential Curbside Recycling Program

WHO?

All DeKalb County single family residences that presently receive solid waste collection services from DeKalb's Sanitation Division are eligible to participate in this recycling program. This includes residents of Unincorporated DeKalb County and the City of Lithonia.

HOW?

Participation is as easy as this:
1. Mixed papers go in the blue plastic bins
2. All other eligible "commingled" (placed together in the same bag) items including plastic, glass, steel and aluminum bottles and containers go in the blue plastic bags.

COST?

Initial subscription cost is \$30, which includes a one time \$15 fee for a blue plastic bin, and a \$15 as needed fee for commingled blue plastic bags (box of 100). We would like to personally deliver your recycling bin and bags to your house or you can come by the Sanitation Division office in person to subscribe and pick up your recycling bin and bags. We will also provide you with an instructional brochure so you know what items are NOT recyclable in this program.

WHAT?

DeKalb's new comprehensive subscription recycling program allows residents to recycle a large variety of household items conveniently. Items you will be able to recycle include:

- all grades of paper (newspaper, phone books, magazines, office paper, cardboard, junk mail),
- all glass beverage bottles,
- all plastic containers with recycle symbol numbers 1 through 7 (no food residue and no motor oil containers please),
- all steel, tin, and aluminum cans.

WHEN?

DeKalb's recycling collection service will be on Wednesdays. Please note that certain Wednesdays such as during Thanksgiving week, Christmas, and certain County holidays that fall on Wednesday may not be serviced. Please see the current Sanitation Holiday Calendar.

To Recycle in DeKalb, please fill out the application on the next page.

NOTE: Recycling bins are the property of DeKalb County Sanitation. Subscribers are responsible for reporting change of residence within our service area.
